

BARGAINING UPDATE

Negotiations Continue for First Agreement

Negotiations for your 1st collective agreement continued on January 24th, 25th and 26th at the Dartmouth Holiday Inn. The talks were productive and courteous with agreement being reached on many non-monetary items and extensive discussion on most of the union's proposals.

It takes a great deal of work to achieve a first agreement as each word must be agreed upon from cover to cover. Your bargaining committee is working very hard to reach a deal that will be acceptable to our members and are committed to doing the best job possible on your behalf.

We have set February 28th, 29th and March 1st as dates to continue discussions. We will issue a further update at the conclusion of that session.

Please continue to support your bargaining committee's efforts.

Your Bargaining Committee thanks you for your continued support. If you have any questions, please contact a member of your Bargaining Committee, or the NSGEU Labour Resource Centre at 424-4063 (toll free 1-877-556-7438), or e-mail us at inquiry@nsgeu.ca
