

BARGAINING UPDATE

Negotiations Begin

LOCAL 42	Update On Bargaining Between NSGEU and CDHA
June 30, 2010	

After exchanging proposals with the Employer on June 10th your Bargaining Committee met with the Employer on June 24th, 25th, 28th and 29th to begin negotiations for a new Collective Agreement.

The meetings were cordial and considerable progress was made on many non-monetary items. Extensive discussion is taking place at the bargaining table dealing with the language of the Collective Agreement. While the parties may have positions that differ considerably on certain issues, the talks at the table have been productive during the early stages of this round of negotiations.

Bargaining will adjourn for the summer. However, we have dates set for September 20-24 to resume negotiations. We will issue a further update immediately upon conclusion of the session in September.

On behalf of the Bargaining Committee we wish you a safe and enjoyable summer.

If you have any questions or concerns, please contact a member of your Bargaining Committee or the NSGEU Labour Resource Centre at 424-4063 or e-mail us at inquiry@nsgeu.ca.
