Update On
Bargaining
Between NSGEU
and Department
of Justice

June 3, 2010

As identified in our previous update, your Bargaining Committee and your Employer have reached a tentative agreement. This tentative agreement includes the movement of Local 480 into the Civil Service.

Your Bargaining Committee is recommending acceptance of this tentative agreement.

Given the complexity of this proposed change a comprehensive package of information is attached. Please review the information provided and forward any questions you may have to your Bargaining Committee representatives. We will respond to those questions at the information sessions.
