

BARGAINING UPDATE

Bargaining Continues

Your Bargaining Committee met with your Employer on March 9, 10, and 11 and were successful in reaching an agreement on most of the non-monetary changes to your Collective Agreement. The parties are committed to returning to the bargaining table to resolve the monetary issues once funding has been provided by the province of Nova Scotia.

Any changes the parties have agreed to thus far are considered to be "tentative" and are subject to the outstanding monetary issues and ratification by the membership. It is hoped that the parties will return to the bargaining table as soon as possible to resolve the remaining issues. Once further bargaining dates are scheduled we will issue a bargaining update to advise members.

Your Bargaining Committee thanks you for your continued support and encourages you to look for future updates as bargaining continues.
