

BARGAINING UPDATE

Bargaining Scheduled to Resume

Your Bargaining Committee has just confirmed that we are scheduled to return to the bargaining table on September 13 & 14, 2010 to resume negotiating your Collective Agreement. There are a limited number of outstanding proposals remaining, and those that have been tentatively agreed to were reviewed with the membership when we held our meeting in March 2010.

The Bargaining Committee will issue another update after our meetings in September. We are optimistic that we will be in a position to provide a tentative Collective Agreement for your review and potential ratification.

Your Bargaining Committee thanks you for your continued support and encourages you to look for future updates as bargaining continues.
